## LOCAL CONSERVATIVES WORKING ALL YEAR ROUND

### A big thank you!

Ashley would like to say a big thanks to the excellent work that all the volunteers of LEAF group do locally. LEAF organise lots of events and activities in Littleborough including Rushbearing, monthly Farmers Markets and the Christmas Lights Switch on. Ashley recently enjoyed coffee at the Farmers Market and is pictured with one of the many LEAF volunteers.

### Good News! Road re-surfacing planned for this year

Ramsden Road, Laburnum Way, Lime Grove, Alderbank, Shaftesbury Drive, Dovedale Drive, Westmorland Drive, Newhouse Close, Gloucester and Birch Ave, Crossfield Close, High Street, Spenwood and Stopford Ave are all due to be re surfaced this year.

Please let me know if your street needs re surfacing and I will try to include it in the future programme.

### A58 too busy?

If you, like me, are concerned about the proposal of 100+ houses off New Street and share my worry about development on greenfield sites, please contact me

It is clear from our traffic survey that there is a great problem with congestion on our highways, despite what highways and the developers try to tell us.

### Local surgeries - please come along and have your say

The first Monday of each month, 6pm till 7pm at The Coach House, Littleborough and 7pm till 8pm at Wardle Community Centre, Wardle Road.

The first Saturday of each month, 10am till 11am, Smithybridge Library and 11am till 12noon, The Coach House, Littleborough.
